A new & exciting programme at Heichal Menachem!

In our Shul all the children feel like one family. All of our children have been affected by the sudden passing of Nochum Tzvi ע"ה and it was felt that something positive be created for the children in our Shul in his memory. A few initiatives had been put forward and together with Tzivos Hashem & CKids, we have decided on establishing two new children services on Shabbos: *Diamond Daveners & Torah Tots*.

Children aged 3-until Year 3, TORAH TOTS. Consisting of a structured programme, including Davening, Games, Parsha, Yud Beis Pesukim, songs and more. The programme will run from 10.30am until 11.30am and will be under the leadership of Mushky Simon & Devorah Leah Osdoba. It will take place downstairs in "Aunty Rivkah's Playgroup".

Children Year 4- Bar/ Bas Mitzvah, DIAMOND DAVENERS will take place in Shul, sitting next to their parent, the children will get raffle tickets, if they participate in Davening, follow Kriah and behave. This will be under the direction of Rabbi Yossi Baitz.

There will be pekelach, raffles and prizes, for both groups.

The programmes will בעז"ה start this Shabbos פרשת יתרו (18 Jan) & then, based on success & parents input, it will be decided how often the programmes will run (weekly, biweekly or monthly) & if any improvements must be made.

Please email us, if you want your children to participate, as we need to know numbers, so we can ensure that we have adequate supplies. If you have any questions, feel free to email us at info@tzivoshashem.co.uk

This is a communal project for our children, if anyone wishes to donate towards it, please be in touch via email info@tzivoshashem.co.uk

We look forward to seeing our Chayolim there א"ה.
